## Laos marks ASEAN Savings Day

On 12 November 2020, the Bank of the Lao PDR celebrated the ASEAN Savings Day (ASD) in Vientiane with the presence of Mr. Phouthaxay Sivilay, Deputy Governor of the Bank of the Lao PDR (BOL); Ms. Sirikit Boupha, Vice President of the Lao Women's Union; and around 70 representatives from the BOL, financial institutions, and related sectors.

The ASD is initiated to promote public awareness on the importance of savings in line with efforts to promote financial inclusion in the ASEAN region. Saving is indispensable for personal financial security and emergencies, and the ASD plays an important role in building and promoting the culture of saving that leads to a better financial management of an individual. It is also an important element to help increase financial inclusion in the country.
